ABOUT THE COLLEGE

The College has as its motto- 'Sidhir Bhavati Karmaja'- the age-old Sanskrit maxim that profoundly states -Success comes through hard work. It speaks volumes for the vision that the college upholds as it gracefully continues its journey forward, determined to leave no stones unturned, with its ultimate destination of academic excellence clearly in view. The college has a vision which is dedicated to the moulding of a new generation of exemplary teachers, armed with finely sculpted professional skills, an intensely creative outlook, a highly zealous demeanour and a remarkable professional vigour that would set them distinctly different. We aspire to create a dynamic learning environment that cultivates a passion for teaching, fosters critical thinking, and embraces diversity. We envision our graduates as change agents, inspiring lifelong learning, and shaping the future of education in Kerala and beyond.
